Continuation Sheet. File No. A 146 of 44 Current No. Page. Scheme

Letter no C. 25 / dated the proposal of grant of medals and prizes to shanbhogs who have done good work under the Ryotwari acquisition Scheme.

1) The proposal of the DTs that a sum of Rs. 35 000/- may be placed at his disposal for the purpose of awarding prizes to the shanbhogs who did good work during the last harvest season is for orders. The proceedings of the meeting held on 2.9.1944, the details pertaining to the awards of prizes and the remuneration that is being paid to the shanbhogs for good work may be called for in the first instance.

2) The shanbhogue gets one anna per palla of grain acquired. It has once been decided that the shanbhogues should be paid 25% to them [illegible] as an additional allowance for registration work, etc. Whether in view of this the proposal to grant medals should be pursued is for orders.

The additional allowance of 25% of Pay: recently sanctioned would seem to be sufficient for any outstanding work as detection of hoards or illicit movement of grain, a provision for the grant of adequate rewards already exists.

The prizes are to be given to Shanbogs for work already done in the last harvest. Some prizes can be given in each taluk. I am not sure what kind of encouragement is necessary. However, to take on ourselves this responsibility of distributing prizes.

5) 1. The amount involved is too much.

2. There appears to be no need to give the medal taking the Taluk as the unit. We may take the District as the unit. This will reduce the cost by 1/30th

3. We may give similar medals to Patels also. This can be done by halving the money values suggested by the D.Cs

The net cost would then perhaps be about 3,500 & this may be accepted
